

PRESS RELEASE

AIR SUPPORT welcomes FitsAir as the newest client in Sri Lanka, signing up for PPS Flight Planning services.

Billund, Denmark – April 4th, 2024: AIR SUPPORT, a leading provider of aviation support services, is pleased to announce FitsAir as its latest esteemed client in Sri Lanka. FitsAir, a prominent airline in the region, has selected AIR SUPPORT's PPS Flight Planning Services to enhance its operational efficiency and ensure seamless flight planning.

The partnership between AIR SUPPORT and FitsAir marks a significant milestone in both companies' commitment to delivering excellence in the aviation industry. With AIR SUPPORT's state-of-the-art PPS Flight Planning Services, FitsAir gains access to advanced flight planning tools and expert support, tailored to meet the unique requirements of their operations.

"We are thrilled to welcome FitsAir as our newest client in Sri Lanka," says Stephen Young, Regional Vice President (APAC) at AIR SUPPORT. "FitsAir's decision to choose our PPS Flight Planning Services reflects their trust in our ability to provide top-tier solutions that optimize their flight operations. We look forward to a fruitful collaboration and are committed to delivering exceptional service and support to FitsAir."

AIR SUPPORT's PPS Flight Planning Services offer comprehensive solutions designed to streamline flight planning processes, improve fuel efficiency, and enhance overall operational performance. By leveraging cutting-edge technology and industry expertise, AIR SUPPORT empowers airlines like FitsAir to navigate complex operational challenges with confidence.

"FitsAir is dedicated to delivering reliable and efficient air transportation services to our customers," says Reena Abdul Rahman, Vice president of Corporate Reforms at FITSAIR. "Partnering with AIR SUPPORT for their PPS Flight Planning Services aligns with our commitment to operational excellence and will undoubtedly contribute to the continued success of our airline."

As AIR SUPPORT expands its footprint in the Asia-Pacific region, the collaboration with FitsAir underscores its dedication to supporting airlines with innovative solutions tailored to their specific needs. The partnership signifies a mutual commitment to driving operational efficiency, safety, and customer satisfaction in the dynamic aviation landscape.
